Subject: RE: Summaries of EU legislation — summary on the new Rules of procedures UPDATE

Dear [REDACTED] dear [REDACTED]
Good morning.
We have not talked for quite some time.
Hope you are fine!

We wanted to ask you if we can update the summary [Rules of Procedure of the European Data Protection Supervisor](#), that you had checked and validated in 2020, based on the [Rules of Procedure](#) of the EDPS of 15 May 2020 (32020Q0626(01)), because of amending [Decision of the European Data Protection Supervisor](#) (EDPS) 32022Q1024(01), published today in the OJ.

If yes, we will update the summary text and send it to you for validation, like we did in 2020.

Thanks a lot in advance!
t regards

Subject: Summaries of EU legislation — summary on the new Rules of procedures

Dear colleagues,

I am [REDACTED] from the Publications Office, in charge of the production of the [Summaries of EU legislation](#) on EUR-Lex.

The summaries are short, easy-to-understand explanations of the main legal acts passed by the EU – intended for a general, non-specialist audience.

The contractor of the Publications Office is charged with drafting the different summaries on the different acts and agreements. The summaries are then checked and validated by the responsible people within the relevant institutions, to make sure the summaries are correct and complete, even though in a simplified form.

We have seen the new Rules of procedures of EDPS have been published in the Official Journal: [Decision of the European Data Protection Supervisor](#) of 15 May 2020 adopting the Rules of Procedure of the EDPS.

We wanted to ask if we can write a summary on the decision and send it to someone in EDPS for checking that you are fine with that.

Additionally, we could update the summary [Protection of individuals with regard to the processing of personal data by EU institutions, bodies, offices and agencies](#) based on [Regulation \(EU\) 2018/1725](#), where we have a specific paragraph dealing with EDPS.

We would be grateful if you could help us identify the best person(s) to contact within EDPS who could take care of this request.

Thanking in advance for your support and looking forward to hearing from you, we remain at your disposal for any questions you might have and

W [REDACTED]ndest regards
