Dear colleagues,

The World Food Programme (WFP) and the European Data Protection Supervisor (EDPS) have the pleasure of inviting you to the 2022 Data Protection Workshop for International Organisations. Please find attached the official invitation and a

summary of the details below.

When

09:00-17:00 Thursday 12 May 2022

09:00-13:30 Friday 13 May 2022

Where

World Food Programme, Via C. G. Viola 68 Parco dei Medici -
00148 Rome, Italy

Please find attached a draft agenda for the meeting which has been put together based on your replies to our recent survey.

RSVP

For practical and security reasons, please register by Friday 15 April 2022 using this [link](#).

As many of you who have attended in the past already know, the workshop is a unique opportunity to meet, share experiences, best practice, concerns and updates relating to data protection from the perspective of international organisations.

Should you no longer be in charge of privacy or data protection matters within your organisation, please do not hesitate to forward this message to the appropriate colleague.

For questions or for those colleagues who are unable to attend in person due to ongoing travel restrictions in their countries due to the COVID-19 pandemic, please email EDPS-Events@edps.europa.eu

Sincerely,
The WFP-EDPS Organising Team

* You have received this email because your colleague is on our contact list for events related to international organisations and has indicated your email address in their absence. If you no longer wish to receive information about these events, please let us know by return email.

RSVP

For planning purposes, we need to have an accurate count of attendees, so please register by Friday 15 April 2022 using the link [here](#).

The enclosed draft agenda for the meeting has been put together based on your replies to our recent survey and reflects pertinent topics in the field.

The programme will also include a cultural visit and cocktail reception in central Rome.

As many of you who have attended in the past already know, the workshop is a unique opportunity to meet, share experiences, best practice, concerns and updates relating to data protection from the perspective of international organisations.

The agenda has been designed to maximise interaction and discussion so we **highly encourage in-person attendance** for the optimal experience. After many months of online events due to the COVID-19 pandemic, we look forward to the dynamism of in-person conversation with you.

For questions or for those colleagues who are unable to attend in person due to ongoing travel restrictions in their countries due to the COVID-19 pandemic, please email EDPS-Events@edps.europa.eu and we will coordinate remote participation for a limited number of colleagues.

Should you no longer be in charge of privacy or data protection matters within your organisation, please do not hesitate to forward this message to the appropriate colleague.

We look forward to welcoming you in Rome.
