Dear colleagues in EDPS,
Is there anything you could reply to [REDACTED] on the "confidential" marking of the reply to him?
I checked with our DMO on the rules, he said "sensitive" is usually used when SNC is involved, but as EPSO is not the sender of the document, I rather not reply to him.

Many thanks

Article 14(1)

Transparent information, communication and modalities for the exercise of the rights of the data subject

1. The controller shall take appropriate measures to provide any information referred to in Articles 15 and 16 and any communication under Articles 17 to 24 and 35 relating to processing to the data subject in a concise, transparent, intelligible and easily accessible form, using clear and plain language, in particular for any information addressed specifically to a child. The information shall be provided in writing, or by other means, including, where appropriate, by electronic means. When requested by the data subject, the information may be provided orally, provided that the identity of the data subject is proven by other means.
