The clause includes appropriate contact data and points to the web site of the Malta Representation where a full-fledged Privacy Statement will be accessible.

The applicants can, at any time, request to verify and correct the information stored in the Representation in Malta in relation to the recruitment process.

9/ Automated / Manual processing operation

7) Description of Processing:
Attention: Please describe in the answer to this question if you process personal data falling under article 27 "Prior-Checking (by the EDPS - European Data Protection Supervisor)"

In the event no EPSO-list is available for selection of candidates for posts available in the Representation in Malta a local recruitment process will have to take place. This includes advertising, registration of applications, evaluation of applications, shortlisting, interviews and transferring of the final shortlist to DG COMM for the completion of the recruitment process in line with procedures laid down by EPSO and DG ADMIN.

All applications are registered in ADONIS with a scanned copy of the cover letter attached. CVs are filed and stored in a locked cupboard with the Administration.

Included in the documents transferred to DG COMM for completion of the recruitment process is a request to EPSO for setting up the test and the CV of each candidate included in the final shortlist.

8) Automated Processing operation(s):

Registration of applications, shortlisting of candidates.

Establishing evaluation documents.

Applications are registered in the Commissions central registration system ADONIS with a scanned copy of the cover letter to the application attached, CVs are filed in a locked cupboard with the Administration as long as the recruitment process is going on.

Spontaneous applications not linked to a specific recruitment process are sent back to the applicant with an information that we do not keep CVs and that there is a possibility to register the CV on the Europa web-site.

An application called CAST is an application managed by EPSO in which the final shortlisted candidates will be included. This database is created to help EPSO to manage candidate data and to create a database of preselected candidates. CAST is based on Web technologies and a central database stored in the data Centre of the Commission.
9) **Manual Processing operation(s):**

- Evaluation of certificates and CVs submitted.
- Verification of certificates of police conduct, driving licence, address etc.

Applications including CVs are filed in a locked cupboard with the Administration during the length of the recruitment process and thereafter destroyed.

Spontaneous application are sent back see point 8.

10/ **Storage media of data**

The data as stored on the shared network drive of the server located in the Representation in Malta. The paper documents are stored in the office of the administration inside the Representation.

11/ **Legal basis and lawfulness of the processing operation**

11) **Legal basis of Processing:**

Rules applicable to other agents in the Commission as of regulation (CEE, Euratom, CECA) nr 259/68 of the Council laying down the Staff Regulations of Officials and the Conditions of Employment of Other Servants of the European Communities and instituting special measures temporarily applicable to officials of the Commission (Conditions of Employment of Other Servants).

12) **Lawfulness of Processing:**
